

## Fundraiser Auction for Valley Christian Theatre Conservatory

In August 2012 Valley Christian High School's Theatre Conservatory program is planning an amazing theater trip to Scotland. For two weeks, we will take part in the largest arts festival in the world, the Edinburgh Fringe Festival. Not only will we see amazing performances, but will have the opportunity to perform on an international stage to a global audience as part of the 18th annual American High School Theatre Festival (AHSTF). Not just any school can participate in AHSTF. To be considered, local theater professionals must nominate schools and then complete a lengthy application, which is reviewed and ranked by AHSTF's Board. Acceptance is very exclusive, and less than 5% of nominated schools are invited to participate!

### Donation Request:

In order to take part in this life changing adventure, we need to raise \$140,000. Our major fundraising effort will be an online auction through <http://www.biddingforgood.com/>, an auction website supporting non-profit organizations which offers bidding to a community of over 200,000. The auction will run the entire month of March, in conjunction with our theatre production "Titanic the Musical". Donors will be acknowledged in an insert of the production program. Merchants will get visibility for their products and services through the online auction advertising campaign. Donations are tax deductible.

Please support our students by donating items for our auction:
